BE PART OF THE HAROLD CLUB AND HELP LEARNING WITH HAROLD

LIFE EDUCATION TRUST HEARTLAND
OTAGO SOUTHLAND

IN YOUR COMMUNITY

We work with schools to provide engaging, interactive health education for children in your community. We are a not-for-profit charity and are not funded by the Government.

The Life Education programme covers a wide range of health topics under five major themes: food and nutrition; body systems; self esteem; social relationships; and substances. The sessions delivered are flexible to the needs of the individual schools.

All lessons are delivered in our purpose built mobile classroom offering a unique, high tech and modern learning environment for children.

OUR PHILOSOPHY

The underpinning philosophy for all that Life Education does is simple and effective:

1. You are special and unique.
2. The human body is magnificent.
3. Our happy existence on this planet depends on our ability to show respect and kindness to each other.

CREATE A LASTING IMPACT FOR HEARTLAND CHILDREN

Members of the Harold Club assist the Trustees in raising the money needed to keep Harold's mobile classroom on the road.

Over 8,000 children benefit each year from the mobile classroom, which requires the Trustees to raise approximately \$150,000 per year (approx. \$21 per child).

We invite you to support the Harold Club by making a donation and becoming a Harold Club member or sponsor.

♥ **\$10 per week** will help to deliver Life Education programmes to nearly 40 children per year.

♥ **\$20 per week** will help to support the creation of vital mobile classroom resources each year.

♥ **\$30 per week** will contribute towards the provision of qualified, expert Life Education Educators.

YOU AND THE HAROLD CLUB
